

## **Dheeran Wiggins Letter of Recommendation (for Goldwater Scholarship)**

**Deadline:** December 2nd, 2024 at 12:00pm (noon)

**Email from:** Either [topscholars@illinois.edu](mailto:topscholars@illinois.edu) or [dschug@illinois.edu](mailto:dschug@illinois.edu) will have sent you an email (likely the former). That email should contain all necessary instructions, though I have included some details myself.

### **Formatting Instructions (per Goldwater's site):**

- 1) two single-spaced pages, or less
- 2) one-inch margins on all sides
- 3) 12-point font
- 4) printed on letterhead (Letterhead may extend into the one-inch margins. Also, those who work at facilities, like federal laboratories, that do not allow the use of letterhead do not have to use letterhead)
- 5) signed

Do not include hyperlinks. Materials that are hyperlinked to letters will not be read.

Please save your letter as a PDF file and send your completed Letter to your institution's Goldwater Campus Representative (CR) by the campus deadline your CR has specified. CRs are responsible for uploading all nomination materials, including Letters of Recommendation, to the Goldwater online application site.
